

Splitting the Sky Follows the 9/11 Money!

Here is my list of the 38 companies that the Canadian Securities and Exchange Commission fingered as involved in 'put options' profiteering on 9/11. The Canadian SEC report with the list of 38 companies was not supposed to be made public, but a copy was obtained by a Vancouver journalist Ian Mulgrew, who published it (and was subsequently removed from the Vancouver Sun website), and which I copied.
